Appendix:

1. 1 CATS credit consists 10 academic hours. **CATS (Credit Accumulation and Transfer Scheme) UK credit learning system**
2. **Course** - Individual units of the programme are called courses. Each course is a self-contained, formally structured learning experience with a coherent and explicit set of learning outcomes and assessment criteria.
3. **Learning Outcomes** – Describe what learners should know, be able to do, and value as a result of integrating knowledge, skills, and attitudes learned throughout the course.
4. **Assessment Criteria** – Refer to the specific standards or benchmarks used to evaluate the effectiveness of the outcomes attained.
5. **Total Qualification Time (TQT)** – The number of notional hours which represents an estimate of the total amount of time that could reasonably be expected to be required for a learner to achieve and demonstrate the level of attainment necessary for the award of a qualification.
6. **TQT** is comprised of the following two elements:
 - **Guided Learning Hours (GLH)** – Defined as the hours that a teacher, lecturer, or another member of staff is available to provide immediate teaching support or supervision to a student working towards a qualification.
 - **Credit Value** – Defined as the number of credits that may be awarded to a learner for the successful achievement of the learning outcomes of a unit. One credit is equal to 10 hours of TQT.
7. **RQF** – Regulated Qualifications Framework
8. Each level has own practice hours which included in TQT; practice hours are taken from each unit by 10%, meaning 20 hours in one level it equals to 120 hours
 - **Level 5** (also in second year) 120 hours of production practice
 - **Level 6** – 120 hours for practice before defend Final Capstone project (Graduation work) Implementational practice of Capstone project (Graduation work)

Total practice hours 240 hours in CATS -24 credit **(12 ECTS credits 360 hours)**
9. * **8(+24)*, 12(+48)*, 4(+36)*** Resolution of the President of the Republic of Uzbekistan on measures to improve the training system in the tourism sector <https://www.lex.uz/uz/docs/-7031185>
10. SAW (Scientific Academic Work) making methodical instructions books, assist teachers on their classes (making classes)
11. SRW (Scientific Research Work) retrieval search for research, making scientific papers and publishing them
12. The European Credit Transfer and Accumulation System (ECTS) is a standardized academic credit system widely adopted across the European Higher Education Area and currently implemented in Uzbekistan, where 60 ECTS credits represent the workload of one full academic year. In the United Kingdom, the Credit Accumulation and Transfer Scheme (CATS) is applied, with 120 CATS credits corresponding to a full academic year; typically, 2 CATS credits are considered equivalent to 1 ECTS credit.
13. This academic plan is eligible for adoption by other higher education institutions and universities that hold official approval and accreditation from the IQAC
Upon approval of this academic plan schedule, the involved parties will be authorized to issue their respective diplomas, meaning that the student will receive two diplomas upon graduation.
